DEPARTMENT OF LABOUR.

PROVINCE OF BRITISH COLUMBIA.

"MALE MINIMUM WAGE ACT."

ORDER No. 38.

Order establishing a Minimum Wage in the Mercantile Industry.

PURSUANT to the provisions of the "Male Minimum Wage Act," being chapter 47 of the Statutes of British Columbia, 1934, and the "Male Minimum Wage Act Amendment Act, 1935," being chapter 47 of the Statutes of British Columbia, 1935, the Board of Industrial Relations hereby orders:—

1. That where used in this Order the expression "mercantile industry" includes all establishments operated for the purpose of wholesale and (or) retail trade.

MALE PERSONS 21 YEARS OF AGE OR OVER.

2. That, subject to the exemptions granted from time to time under section 6 of the said Act and to the provisions of paragraph 5 of this Order, the minimum wage for every male employee 21 years of age or over in the mercantile industry (not included in any other Order of the Board) whose week consists of thirty-seven and one-half (37½) hours or more shall be not less than the sum of fifteen dollars (\$15) per week.

3. That, subject to the exemptions granted from time to time under section 6 of the said Act and to the provisions of paragraph 5 of this Order, the minimum wage for every male employee 21 years of age or over in the mercantile industry (not included in any other Order of the Board) whose week consists of less than thirty-seven and one-half (37½) hours shall be not less than the sum of forty cents (40c.) per hour:

Provided, however, that the minimum wage for any such employee in any one day shall be not less than the sum of one dollar and sixty cents (\$1.60).

MALE PERSONS UNDER 21 YEARS OF AGE.

4. That the minimum wage for every male person under the age of 21 years employed in the mercantile industry (not included in any other Order of the Board) shall be not less than the following rates:—

Rates for Beginners under 18 Years of Age.

- (1.) (a.) Male persons under 18 years of age whose week consists of thirty-seven and one-half (37½) hours or more:—

"FIRE MARSHAL ACT."

PURSUANT to the provisions of the above Act, being chapter 91 of the "Revised Statutes of British Columbia, 1924," His Honour the Lieutenant-Governor in Council has been pleased to approve of the following regulations:—

REGULATIONS RESPECTING MOVING-PICTURE THEATRES, KINEMATOGRAPHS, AND PROJECTIONISTS, AND THE STORAGE AND USE OF NITRO-CELLULOSE X-RAY FILMS.

(Pursuant to the "Fire Marshal Act.")

INTERPRETATION.

1. In these regulations, unless the context otherwise requires:—

- "Apprentice projectionist" means any person who serves as an apprentice under a projectionist:
- "Approved" means approved, or of a type approved by the Fire Marshal or some competent authority satisfactory to him:
- "Asbestos fire-curtain" means any approved asbestos curtain so installed as to cut off the auditorium from the stage:
- "Effect-machine" means any approved apparatus used for the purpose of creating effects around the picture on the screen:
- "Electrical apparatus" means any approved electrical equipment used in connection with projection-work:
- "Electrical room" means the room adjoining the projection-room, in which the electrical apparatus is installed:
- "Film rewind" means any approved apparatus used for the rewinding of moving-picture film:
- "Fire-extinguisher" means any approved portable apparatus used for the extinguishing of fire:
- "Fire-resistive" means a type of construction which is incombustible in its nature:
- "Kinematograph" includes any moving-picture machine or other similar apparatus:
- "Kinematograph lamp-house" means any housing containing the light source for a kinematograph:
- "Kinematograph-head" means the assembly of mechanisms used on a kinematograph to carry the film past the light-ray:
- "Master release-cord" means any cord which holds the master shutter-control in position:
- "Master shutter-control" means any approved control which releases all the shutters at once:
- "Moving-picture theatre" includes any theatre, hall, building, or premises erected or used for or in connection with any place of public resort, gathering, entertainment, or amusement, in or upon which any kinematograph is operated:
- "Observation-port" means the port-hole through which observations of the screen are made:
- "Projection-port" means the port-hole through which the light-rays are projected:
- "Projection-room" means the room which contains the kinematographs, effect-machines, stereopticons, spot-lamps, and other similar apparatus used for projection-work in a moving-picture theatre:
- "Projectionist" means any person, whether as employer or otherwise, who operates or manipulates a kinematograph in any moving-picture theatre:

"Rewind-room" means the room adjoining the projection-room which is built and equipped for rewinding films:

"Slow-burning" means any type of construction which though of combustible nature is so built as to retard the progress of fire:

"Stereopticon" means any apparatus used for projecting pictures, other than moving pictures:

"Synchronized-sound moving pictures" means moving pictures which have speech or sound in synchronism or in step with the action:

2. *Approval of Plans.*—Before commencing construction of any moving-picture theatre or of any structural alterations in an existing moving-picture theatre, plans and specifications therefor shall be filed in duplicate with the Fire Marshal for his inspection, and no person shall commence the work of construction until the plans and specifications have been approved by the Fire Marshal. The plans shall consist of drawings showing floor-plans in detail, one elevation and one cross-section indicating the construction, drawn to a scale of not less than $\frac{1}{8}$ inch to 1 foot. All dimensions, including height and thickness of walls, structural parts, exits, stages, projection-rooms, and furnace-rooms, shall be clearly shown. The specifications shall clearly set forth the method of construction and explain the plans. All plans and specifications shall be in accordance with these regulations, except that the Fire Marshal may in the case of a moving-picture theatre existing on October 1st, 1929, approve such deviations from these regulations as he considers advisable and in accordance with reasonable safety.

3. *Types of Construction.*—No moving-picture theatre shall be of a type of construction lower than the following: The walls and floors shall be solid, not less than 4 inches in thickness, and may be of wood. The roof shall be of $2\frac{1}{2}$ -inch T. and G. lumber covered with a tar and gravel coating to the approval of the Fire Marshal. If of wood, the walls shall be of laminated construction made up of 2-ply 2-inch planks not more than 8 inches wide, securely spiked together in such a manner that all joints shall be staggered not less than 3 inches and one layer of shiplap nailed securely over the other wood. The frame-work shall be of what is commonly known as heavy timber construction, the material of which shall have a least dimension of not less than 6 inches and a depth of not less than 10 inches. The floors may be of this laminated construction or of mill-type construction, 2-inch by 4-inch lumber on edge, securely spiked together. The finished floor shall be laid over the mill construction or laminated construction floor.

4. *Approval of Construction.*—Upon completion of construction of a moving-picture theatre, the owner or manager thereof shall notify the Fire Marshal in writing that the moving-picture theatre is ready for his inspection, and no moving-picture theatre shall be open to the public until it has been inspected and approved in writing by the Fire Marshal or some person authorized in writing by him to make the inspection.

5. *Entrances.*—All entrances to moving-picture theatres shall be not less than 5 feet in width and shall be equipped with double-leaf doors hinged so as to swing outward. These doors will also serve as exit doors.

6. *Exits.*—In addition to the entrances, emergency exits at or near the rear of the auditorium and at other places as may be designated by the Fire Marshal, giving free access to street, lane, or open court, shall be provided. Such exits shall be proportioned on the basis of the seating capacity of the moving-picture theatre and shall afford not less than 22 inches of combined width for each 150 seats or major portion thereof. This exit width shall be equally apportioned to each side of the auditorium, but

each exit shall be not less than 42 inches in width and shall be equipped with double-leaf doors opening outward and equipped with standard panic or exit locks. No other locks or fastenings shall be used on emergency exit doors.

7. *Aisles.*—All aisles extending in direction from the front to the rear of any moving-picture theatre shall be not less than 4 feet in width throughout their length. All cross-aisles extending from the longitudinal aisles to the exits shall be not less than 4 feet in width throughout their length. Cross-aisles shall be provided in all balconies or galleries and from longitudinal aisles to exists at the side of the auditorium, unless there is an aisle along the wall adjoining such exits.

8. *Stairways.*—All stairways, including fire-escape stairways, leading to any tier or gallery shall be not less than 4 feet in width and shall be equipped with securely fastened handrails not less than 3 feet above treads and landings. All stairways over 66 inches in width shall be provided with one or more substantially supported continuous intermediate handrails which shall be so located that there shall be not more than 66 inches between adjacent handrails. The stairs shall have risers of not more than 7 inches and treads of not less than 10 inches measured from the face of the riser. There shall be not less than three nor more than eighteen risers in any flight of stairs. All landings between flights shall be the full width of the stairs and not less than 4 feet in length.

(9.) *Fire-escape Stairways.*—From all balconies and from points in the auditorium that are 8 feet or more above the street-level, exit doors shall be provided to give access to fire-escape stairways, which shall be continuous, leading to a street, lane, or open court, and shall be made of slow-burning construction and enclosed in slow-burning walls as set forth in Regulation 3 of these regulations. The exit doors from the various levels of the auditorium to the stairways shall in no case be less than 42 inches in width. These doors shall be constructed in accordance with what is known as the "Underwriters' standard of construction for tin-clad doors," and shall be equipped with standard panic or exit bolts. They shall be hung so as to open outward.

10. *Exit Lights.*—At all times when a moving-picture theatre is open for the admission of the public each exit shall be marked with an illuminating sign clearly displaying through red-coloured glass the word "EXIT," the letters forming such word to be not less than 6 inches in height. No other red illuminating lights or signs shall be installed within 10 feet of an exit sign.

11. *Obstructions.*—All aisles, halls, stairways, passage-ways, and lobbies shall at all times be kept free from obstructions. No person shall be allowed to sit, stand, or loiter in any aisle, stairway, or passage-way. In all entrance and mezzanine foyers clear passage-ways equivalent in width to the combined entrance and exit passage-ways shall at all times be maintained.

12. *Seats.*—Separate detailed plans of the seating shall be submitted in duplicate to the Fire Marshal for his approval before the seats are installed. All rows of seats on the main floor shall be spaced not less than 32 inches, measured horizontally from back to back; and all rows of seats in any balcony or gallery shall be spaced not less than 30 inches, measured in like manner. In one-floor moving-picture theatres having the floor constructed with two different angles of pitch, the section of the floor back of the main cross-aisles, having the greater pitch, shall have its rows of seats spaced not less than 30 inches, measured in like manner. There shall be not more than seven chairs between any one seat and an aisle. Where common chairs are used for the seating in a moving-picture theatre, such chairs shall be battened together in a secure manner and securely

fastened to the floor. All other chairs, except in boxes and loges, shall be securely fastened to the floor.

13. *Electrical Installation.*—(a.) Separate complete detailed plans and specifications of all electrical installations in moving-picture theatres shall be submitted in triplicate to the Fire Marshal by the owner or his agent, and must be approved by the Fire Marshal and the Inspector of Electrical Energy before the work of installation is commenced.

(b.) All electrical-installation work in moving-picture theatres shall be done in full compliance with the standards prescribed by or under the "Electrical Energy Inspection Act."

14. *Stage Settings.*—Except upon stages equipped with standard proscenium walls and asbestos fire-curtains hung in approved manner, all draperies, curtains, and valences used upon the stage of a moving-picture theatre (other than the moving-picture sheet) shall be treated so as to be flame-proof, and a certificate to that effect shall be filed with the Fire Marshal, who shall cause the draperies, curtains, and valences to be tested from time to time.

15. *Ventilation.*—Where it is found impracticable to supply at least 2 square feet of ventilating area for each person admitted to a moving-picture theatre (this area to include doors, windows, and roof ventilators), a system of mechanical ventilation shall be installed which will deliver a complete change of air at least every fifteen minutes. All fans used for mechanical ventilation shall be equipped with an automatic stopping device which will act instantly should a fire occur on the stage or in the boiler-room.

16. *Heating.*—All furnaces and boilers used for heating moving-picture theatres shall be located in a fire-resistive room. In theatres of less than 350 seats where stoves are used for heating purposes, all stoves shall be located at least 3 feet from the walls and guarded by a substantial iron railing. Not more than six lengths of smoke-pipe shall be permitted, and every smoke-pipe shall have riveted joints and shall lead directly into a brick chimney which is built from a solid foundation to a point not less than 3 feet above the roof. A stove-board covered with metal or other fire-resistive material and extending 18 inches beyond the base of the stove all around shall be used under every stove.

17. *Fire-protection Equipment.*—There shall be in every moving-picture theatre situate in a locality where there is a waterworks system at least two stand-pipes of not less than 2½ inches diameter, and equipped with gate-valve hose connections, 2½-inch hose, and plain-bore nozzle with ¼-inch tip. These stand-pipes shall be connected to the water-main by not less than a 3-inch pipe which shall be provided with a shut-off valve located outside the building. In addition, there shall be located at different places throughout the theatre liquid chemical fire-extinguishers of a type, nature, and number approved by the Fire Marshal. Where no waterworks system is available for fire-protection purposes an extra number of fire-extinguishers shall be provided as required by the Fire Marshal.

PROJECTION, ELECTRICAL, AND REWIND ROOMS.

18. *Dimensions.*—The projection-room in a moving-picture theatre shall be of not less than the following inside dimensions: For one kinematograph, 9 feet in width, 12 feet in depth measured from the front to the rear wall through the kinematograph, and 10 feet in height. For two kinematographs, 16 feet in width, 12 feet in depth measured as aforesaid, and 10 feet in height. For each additional kinematograph more than two, or for each spot-lamp, flood-lamp, or effect-machine in addition to the two kinematographs, a minimum of 5 feet shall be added to the width of the projec-

tion-room as prescribed for two kinematographs.

The electrical room in a moving-picture theatre shall be not less than 6 feet in width, 8 feet in length, and 10 feet in height (inside dimensions), and shall be used only for the installation of such electrical apparatus as rheostats, motor-generators, rectifiers, low-tension transformers, and other equipment of like nature.

The rewind-room in a moving-picture theatre shall be not less than 6 feet in width, 8 feet in length, and 10 feet in height (inside dimensions), and shall be used only for the installation of the film-rewinding and storage equipment.

19. *Construction.*—The walls of the projection-room, electrical room, and rewind-room shall be of brick, concrete, or other fire-resistive or slow-burning construction approved by the Fire Marshal. If of brick, the walls shall be 8 inches in thickness, laid in cement mortar, one row of headers to every six rows of stretchers, plastered inside and out with cement plaster. The floors shall be of reinforced concrete, and the walls may be of reinforced concrete, which shall in all cases be not less than 6 inches in thickness, made of cement, sand, and gravel mixed in the following ratio: One of cement, two of sand, and four of gravel or crushed rock that will pass through a 1-inch mesh, and shall be reinforced with galvanized-wire mesh reinforcement of not less than 3-inch mesh 10-gauge, or $\frac{1}{4}$ -inch steel rods set on 9-inch centres. The ceilings of rooms of the above types of construction shall be a concrete slab not less than 4 inches in thickness and reinforced with $\frac{3}{8}$ -inch steel rods set on 6-inch centres.

If of slow-burning construction, the walls and ceiling shall be not less than 4 inches in thickness, made of laminated wood as follows: Two-ply 2-inch planks not more than 8 inches in width, with all joints staggered not less than 3 inches, overlaid with one ply of shiplap laid at right angles to the plank joints. This wooden wall shall be covered on the inside with "Hyrib" metal lath and 1 inch of gypsum plaster or equal. The floor of the room shall be the same as the walls, but overlaid with 2 inches of reinforced concrete.

All rooms of masonry construction shall be carried on solid concrete or brick piers or protected steel columns of sufficient cross-sectional area to afford a factor of safety of four. These piers or columns shall rest on solid footings on the ground.

20. *Entrances.*—There shall be two entrances to every projection-room. These entrances shall not open directly into the auditorium. If the projection-room is so located that entrances from the auditorium are unavoidable, they shall be made through vestibules having two doors between the projection-room and the auditorium. The inner one of these doors shall be hung to open outward and the outer of these doors to open inward. The vestibules shall be not less than 4 feet in width by 6 feet in length. The doorways to every projection-room, electrical room, and rewind-room shall be not less than 2 feet 6 inches by 6 feet 6 inches. The door-frames shall be an angle-iron 2-inch by 2-inch by $\frac{1}{4}$ -inch metal and the side-angles shall be continuous from the floor to the ceiling, embedded securely in each. The doors shall be constructed in accordance with the specifications of what is known as "Underwriters' standard of construction for tin-clad doors," and shall be hung in an approved manner with standard fire-door hardware.

21. *Ventilation.*—Every projection-room shall be ventilated in such a manner as to render harmless all the gases, vapours, and other impurities which may be generated in the course of operation, and if found necessary one or more exhaust-fans shall be installed. Such fan or fans shall be of sufficient capacity to change the air in the projection-room every three minutes. Fresh-air inlets shall be in-

stalled at or near the floor-level of the projection-room. Exhaust ventilation-ducts shall be equipped with dampers so counter-weighted as normally to remain open. Fresh-air inlets shall be covered with sliding shutters of the same gauge of metal and the same type of construction as the observation-ports, which shall be so counter-weighted as normally to be open. These dampers and shutters shall be controlled from the master shutter-control.

22. *Port-holes.*—For each kinematograph there shall be not more than two port-holes. The observation-port shall be not more than 15 inches wide by 18 inches high. The projection-port, if for film-work only, shall be not more than 9 inches by 9 inches. If for film and slide work it shall be not more than 9 inches high by 18 inches wide. For each effect-machine there shall be not more than three port-holes. The two projection-ports of an effect-machine shall be of the same dimensions as the projection-port of the kinematograph, and the observation-port shall be of the same dimensions as the observation-port of the kinematograph. There shall be one port-hole for each spot or flood lamp, which shall be not larger than 36 inches wide by 24 inches high.

Shutters for covering all port-holes shall be provided of the gravity type, and shall overlap the wall not less than 2 inches all around the edges of the opening when closed, and shall be arranged to slide freely without binding in properly constructed channels of the same weight of steel. The steel plate used for the shutters for projection-ports shall be not less than No. 10 B. & S. gauge; for the observation-ports shall be not less than $\frac{3}{16}$ inch in thickness; for the spot- and flood-light port-holes shall be not less than $\frac{1}{4}$ inch in thickness.

The shutters shall be controlled by fusible links melting at 160 degrees Fahr., and shall be installed in such a manner that they can be lowered individually or collectively. There shall also be provided master release-cords located adjacent to the entrance doors of the projection-room positively controlling the lowering of all port-hole shutters. All port-hole shutters shall be closed each day after the last exhibition for the day. The spot- and flood-light port-holes shall be closed while film is being projected.

23. *Shelves.*—All shelves, fittings, and fixtures shall be either of non-combustible material or metal-covered throughout.

24. *Film Rewinds and Containers.*—(a.) In any moving-picture theatre where there is no rewind-room and only one kinematograph installed, rewinding may be done on a rewind enclosed in an approved metal container. In all other cases the rewinding shall be done on open rewind stands by hand.

(b.) All films, except those in the kinematographs or being rewound, shall be kept in a container which shall be constructed of not less than 20-gauge metal. Each reel of film shall be kept in a separate compartment. There shall be an air-space of not less than 1 inch between the compartments, also between the outside walls and the compartments. Doors shall have a 1-inch air-space between the face and film-sides. All seams shall be lock-jointed and riveted. No solder shall be used in the construction of the cabinet. Doors shall be so hung that the weight of the enclosed reel holds them in a tightly closed position. No film shall be left in the magazines of the kinematograph between the time the exhibition closes at night until it starts the next day.

(c.) No film shall be kept or stored in any part of a moving-picture theatre except the projection-room and the rewind-room. Not more than two programmes of film shall be kept in a moving-picture theatre at any one time.

25. *Projection-room Fire-extinguishers.*—Two or more liquid chemical fire-extinguishers of a size, nature, and type approved by the Fire Marshal shall be continuously maintained in good working-order in every projection-room.

A large bucket of sand shall be kept in every projection-room within easy reach of the projectionist. A metal receptacle shall be provided for the reception of the carbon stubs from the arc-lamps.

26. *Sanitary Arrangements.*—Running water, a basin or sink, and a toilet shall be installed in the projection-room of every moving-picture theatre situate in a locality where there is a waterworks system.

KINEMATOGRAPHS.

27. *Approval and Testing of Kinematographs.*—A kinematograph shall not be operated in any moving-picture theatre unless the kinematograph has been approved by the Fire Marshal and bears his stamp or label of approval.

28. *Equipment of Kinematographs.*—(a.) All kinematographs, kinematograph lamp-houses, stereopticons, kinematograph heads, spot-lamps, and all apparatus used in connection with projection and stage work shall be in themselves and all their accessory parts of a type and style approved by the Fire Marshal. All kinematograph lamp-houses, stereopticon lamp-houses, and spot-lamps in a projection-room shall be connected by at least a 4-inch sheet-metal pipe or stack to the ventilation-flue of the projection-room.

(b.) Where two or more kinematographs are installed they shall be equipped with remote-control dowsers or cut-offs.

(c.) The maximum speed at which any kinematograph may be run shall in no case exceed 100 feet of film per minute.

(d.) Kinematographs which are so constructed as to use only slow-burning or acetate film of special width or perforation may be used without an enclosed projection-room. Such slow-burning or acetate film, besides the special width and perforation, shall have a permanent distinctive marker throughout its entire length denoting the make and slow-burning character of the film stock.

29. *Film Reels.*—Bent, broken, or wobbly reels or reels with loose or broken hubs shall not be used on any kinematograph. All reels used on kinematographs shall have not less than a 4-inch hub, and where over 1,000 feet of film is used the reels shall be not less than 14 inches over-all in diameter. This applies to both carrier and take-up reels.

30. *Operation by Licensed Projectionists.*—Subject to the next succeeding regulation, a kinematograph shall not be operated in any moving-picture theatre while the theatre is open to the public unless it is in charge of a licensed projectionist who is continuously present in the projection-room during the time the kinematograph is operated.

31. In all moving-picture theatres equipped with two or more kinematographs there shall be at all times in the projection-room when the theatre is open to the public two licensed projectionists: Provided, however, that if each of the kinematographs is equipped with an approved automatic fire-extinguisher, then one licensed projectionist together with one licensed apprentice projectionist shall be sufficient; and provided further that the last-mentioned proviso shall not affect any contract existing at the time these regulations come into force between the owner or operator of any moving-picture theatre and a licensed projectionist or union of projectionists whereby the owner or operator is bound to employ two or more licensed projectionists in the projection-room, and that in any event the said last-mentioned proviso shall not take effect until the first day of January, 1938.

PROJECTIONISTS.

32. *Board of Examiners.*—There shall be a Board of Examiners for the examination of projectionists, which shall consist of the Fire Marshal, who shall be the Chairman, the Chief Inspector of Electrical Energy under the "Electrical Energy Inspection Act," and the Assis-

tant Fire Marshal. In case of the illness or absence of any member, the Chairman may appoint the Deputy Fire Marshal or the Assistant Inspector of Electrical Energy to act as a member *pro tempore*.

33. *Application for Examination.*—(a.) Candidates for examination as a licensed projectionist shall make application to the Chairman of the Board of Examiners on a form supplied by the Board, and shall at least fourteen days before the proposed examination forward the application to the Chairman, accompanied by an examination fee of \$25 and a certificate from a legally qualified medical practitioner that the candidate is free from any form of epilepsy, and that eyesight and hearing are normal.

(b.) No person shall apply for examination as a licensed projectionist unless he has acted as a projectionist or as an apprentice projectionist, or both, for a period of not less than twelve months.

(c.) Applicants for licences as apprentice projectionists shall make written application to the Fire Marshal in such form as he may prescribe, accompanied by a health certificate as required by clause (a) and by a licence fee of \$5. Apprentice projectionist licences shall be good for one year from date of issue.

34. *Examination.*—Applicants for licences as projectionists shall be subject to examination before the Board of Examiners. When convenient, examinations shall be conducted by the full Board, but it shall be competent for any one or more members of the Board to conduct the examination where authorized to do so by the Chairman of the Board. Examinations shall be held in the examination-room of the Board at Vancouver, B.C., during the first week of March, June, September, and December respectively, and at any other place or time fixed by the Chairman of the Board.

35. Examinations will cover detailed written examinations and practical demonstrations covering the following subjects:—

Electrical.

Theatre and projection-room wiring; sizes and carrying capacities of wires and cables and insulation and installation of same; generators, rectifiers, transformers, rheostats, and all types of arc and incandescent lamps for projection purposes.

Testing and tracing circuits for phase relationship, voltage, opens, shorts, and grounds; making connection from source of supply through motor-generator, rectifier, and other equipment to the lamp-house.

Mechanical.

Projection mechanisms, their uses, care, adjustment, and renewal of parts.

Various types of intermittent movements, their adjustments, care, and qualities. Safety devices on mechanisms, action, care, and adjustment.

Revolving shutter, principle, design, and adjustment.

Optical.

Condenser-lenses, projection-lenses, and mirrors, their types, focusings, matings, and care.

Safety.

Safety appliances connected with projection-machine apparatus, auxiliary safety appliances, their use and care.

The projection-room, its construction, equipment, ventilation, and general arrangement.

36. *Pass-marks.*—Before a candidate is granted an examination in practical demonstration he shall be required to make not less than 60 per centum of the possible marks on each subject and an average of 65 per centum on all subjects of his written examination; and before a projectionist's licence is granted to him he shall be required to make not less

than 65 per centum of the possible marks on each branch of subjects in his examination in practical demonstration.

37. *Licence Fee*.—A licence fee of \$2 shall be payable for a projectionist's licence.

38. *Temporary Permits*.—Where it is found impracticable for the Board of Examiners immediately to examine an applicant for a projectionist's licence, the Fire Marshal may issue the applicant a temporary permit good until he may be examined but in no case for longer than one year, which permit shall cease to be valid after the day for the applicant's examination, of which notice shall be given to him by or on behalf of the Board. Temporary permits shall not be issued where the services of a licensed projectionist are obtainable, unless they are obtainable only on such terms and conditions as by the Fire Marshal are considered unfair.

39. *Film Reports*.—(a.) It shall be the duty of every licensed projectionist of any moving-picture theatre to report, on forms supplied by the Fire Marshal, the condition of each film supplied to the projectionist, setting forth thereon the condition in which the film was received and in which it left his care. These reports shall be made after completion of the run of film and forwarded to the Fire Marshal.

(b.) In case a film is received in such condition that it would create a serious fire-hazard to project the same, the projectionist in charge of equipment shall notify the manager of the moving-picture theatre at once of that fact, and shall refrain from projecting the film. The manager shall immediately notify the Fire Marshal by telegraphic dispatch of the condition of that film.

40. *Kinematograph Reports*.—It shall be the duty of every licensed projectionist of any moving-picture theatre to report to the Fire Marshal immediately, in writing, any kinematograph which is found to be defective in any respect.

MOVING-PICTURE THEATRE LICENCES.

41. *Theatre Licences*.—(a.) No moving-picture theatre shall be opened to the public except after a licence therefor has been obtained from the Fire Marshal, which licence shall be kept posted in a conspicuous place on the licensed premises. The licence fees payable under the "Fire Marshal Act" for licences for moving-picture theatres shall be as follows:—

- | | |
|--|--------|
| (1.) If conducted in premises located in the cities of Vancouver or Victoria, and not licensed under any subsequent clause of this regulation, provided the licence fee shall not exceed \$300 or less than \$75, for each seat..... | \$0.20 |
| (2.) If conducted in premises within the limits of any organized municipality or corporation town-site, and not licensed under any subsequent clause of this regulation, where the seating capacity does not exceed 300 persons..... | 65.00 |
| For each seat in excess of 300, provided the fee shall not exceed the sum of \$250 | .15 |
| (3.) If conducted in premises not licensed under any other clause of this regulation, where the seating capacity does not exceed 300 persons | 55.00 |
| For each seat in excess of 300, provided the fee shall not exceed the sum of \$200 | .10 |
| (4.) If conducted in connection with vaudeville or variety show and exhibiting moving pictures as part of the performance:— | |
| For the first reel | 100.00 |
| For each additional reel | 25.00 |
| (5.) If conducted in premises limited to a period of one month | 50.00 |

- | | |
|--|--------|
| (6.) If conducted in open-air park:— | |
| For one month | 50.00 |
| For two months | 75.00 |
| For three months | 100.00 |
| For season, not exceeding six months | 150.00 |

- | | |
|--|--------|
| (7.) Itinerant licences for the exhibition of feature films, etc., good only in places endorsed on face of licence:— | |
| For each day | 10.00 |
| For each week | 40.00 |
| For each month | 100.00 |

- | | |
|---|-------|
| (8.) Itinerant licences, good only in places endorsed on face of licence not more than four places to be covered by one licence:— | |
| Good only two days in any calendar week in any one place | 25.00 |
| Good only three days in any calendar week in any one place | 35.00 |

- | | |
|---|-------|
| (9.) Itinerant licences limited to small towns or villages, good only one day a week, not more than ten places to be covered by one licence | 40.00 |
|---|-------|

- | | |
|---|-------|
| (10.) If conducted under the auspices of a church, religious organization, or educational institution other than a school or college holding a permit issued under Regulation 50 of these regulations, or in aid of charitable work | 10.00 |
|---|-------|

- | | |
|---|-------|
| (11.) If conducted for the purpose of advertising anything whatsoever | 50.00 |
|---|-------|

(b.) Where a moving-picture theatre licence within the scope of subclause (1), (2), (3), or (4) of clause (a) of this regulation is issued after the 31st day of March in any year, the licence fee payable therefor shall be reduced by deducting from the prescribed fee one-twelfth thereof for each month of that year which has expired; but in no case shall the licence fee be less than \$10.

42. *Transfer of Licences*.—Any licence issued under the provisions of subclause (1), (2), (3), (4), or (6) of clause (a) of Regulation 41 of these regulations may, with the consent of the Fire Marshal, be transferred from one holder to another, and any licence issued under the provisions of subclause (1), (2), (3), (4), or (6) of clause (a) of said Regulation 41 may be transferred from one premises to another upon payment to him of a fee equal to 20 per centum of the licence fee paid: Provided that in no case shall the transfer fee be less than \$5. Except as provided in this regulation, no licence issued under these regulations shall be transferable, either as to holder or premises.

43. *Approval of Licensed Premises by Municipal Council*.—(a.) Every licence for the operation of a moving-picture theatre issued under these regulations shall be issued only for the premises specified in the application and endorsed on the licence, and subject to the implied condition that the premises in which it is proposed to operate such moving-picture theatre shall be approved for use as such by the Council, or by an official appointed in that behalf by the Council of the municipality in which the licensee proposes to operate under such licence, and all transfers of such licence shall be subject to the like condition.

(b.) In the event of the refusal by such Council or official to approve any such premises, the Fire Marshal may recommend to the Minister of Finance the repayment to the licensee of the licence fee paid: Provided that the licence shall be surrendered to the Fire Marshal, accompanied by a cancellation fee of \$5, and such licence shall be cancelled by the Fire Marshal before any such recommendation for repayment may be made.

43. *Scope of Itinerant Theatre Licences*.—(a.) No holder of an itinerant theatre licence shall operate any kinematograph in any premises other than the premises endorsed on the

licence, and such licence shall be issued for use only where the premises to be used in the exhibition of moving pictures thereunder are situated not less by road than 10 miles from any premises otherwise licensed as a moving-picture theatre by any other person. No holder of any such licence shall show or exhibit any moving pictures in any one of the premises endorsed on the face of the licence for a greater length of time than the number of days in any calendar week endorsed on the licence.

(b.) The Fire Marshal may at his discretion grant a substitution of, or increase in, the number of premises to be used in the operation of a cinematograph under any itinerant theatre licence.

44. *Permits for Moving Pictures in Schools and Colleges.*—The Fire Marshal may, upon receipt of an application in writing from the Secretary, trustees, Dean, or other person in charge of any school or college, grant a permit for the exhibition of moving pictures in that school or college; which permit shall, subject to the conditions stated therein and to the compliance in all other respects with these regulations, authorize such exhibition without the obtaining of any moving-picture theatre licence therefor or the payment of any licence fee.

45. *Payment of Licence Fees.*—All licence fees payable under these regulations shall be payable as annual fees unless otherwise provided. Every application for any licence or transfer of licence shall be accompanied by the fee for the licence or transfer, in cash, money-order, or marked cheque, payable to the order of the Fire Marshal, and at par at Vancouver.

STORAGE AND USE OF NITRO-CELLULOSE FILM.

46. *Permits.*—No person shall use, process, or store any nitro-cellulose film in any hospital, clinic, doctor's, or dentist's office, laboratory, photographic studio, or other similar premises, unless he has made application in writing for and obtained from the Fire Marshal a permit therefor under this regulation. Every applicant shall set forth the location of the premises to be covered by the permit, the use to which the premises are put, the approximate quantity of film to be used, processed, or stored annually therein, the name of the manufacturer of the film, the proposed method of handling the film, and the storage facilities available therefor. Every permit obtained under this regulation shall be subject to the regulations hereinafter contained.

47. *Storage.*—Nitro-cellulose film to the extent of 30-lb. may be kept and stored in an approved metal container in any of the premises aforementioned. The following table may be used as a guide in computing the weight of film:—

No. of Negatives.	Size.	Weight.
100	14" by 17"	12 lb.
100	10" by 12"	6 lb.
100	8" by 10"	4 lb.

48. *Film-vaults.*—All nitro-cellulose film in excess of 30 lb. shall be kept and stored in a film-vault, the construction of which shall be identical with that laid down in Regulations 5, 6, 7, 8, and 9 of the regulations governing the manufacture, storage, carriage, and disposal of moving-picture films, published in the Gazette of 1926, page 1373:

Provided that the Fire Marshal may in writing approve the storage of unexposed nitro-cellulose film in rolls or packs in the original packages to a greater extent than 30 lb. outside of the film-vault.

49. *Loose Nitro-cellulose Film.*—All nitro-cellulose film when not being worked upon shall be kept as prescribed in the foregoing regulations. No loose nitro-cellulose film shall be allowed to accumulate in any of the above-mentioned premises.

50. *Discarded Film.*—All discarded nitro-cellulose film shall be stored and handled in like

manner to good film until it is removed from the premises and destroyed.

51. *Illuminator.*—No illuminator shall be used with nitro-cellulose film unless it is so designed and built that the diffusing glass or glasses cannot become overheated from the illuminating agent.

MISCELLANEOUS.

52. *Operation of Kinematograph while Intoxicated.*—No person shall, while under the influence of intoxicating liquor, operate or attempt to operate a kinematograph in any moving-picture theatre, and no person in charge of any moving-picture theatre shall permit any person under the influence of intoxicating liquor to operate or attempt to operate any kinematograph therein.

53. *Fire Reports.*—In case a fire occurs in any moving-picture theatre, the manager or person in charge of the theatre shall, within twenty-four hours, report to the Fire Marshal in writing the location and extent of the fire and the time of its occurrence.

54. *Cancellation of Licences.*—The following are some of the grounds warranting the cancellation or suspension of licences issued under these regulations:—

Failure to display projectionist's licence for the operation of moving-picture apparatus and its connections:

Making false statements in application for licences:

Operating a kinematograph of a type or style not approved by the Fire Marshal:

Maintaining a dirty projection-room:

Latching the door of the projection-room on the inside, removing the handle from the outside of the door, or otherwise taking action such as might delay the access of authorized persons to the projection-room:

Failure to report promptly to the Fire Marshal in writing the occurrence of any fire in the projection-room of the holder of the licence, said reports to state fully the apparent cause or causes of said fire:

Failure to report to the Fire Marshal in writing on a form supplied by him the physical condition of all film run through the kinematographs:

Permitting unlicensed manager or employee of a moving-picture theatre or any other unlicensed person to operate kinematograph in a moving-picture theatre projection-room while audience or spectators are in said theatre:

Permitting doors of film magazine to remain open or unlatched while said kinematograph is in use:

Propping up or suspending any fire-shutter on any kinematograph:

Removing any film-guard from any kinematograph, or in any way holding any film-guard from normal position while said machine is in use:

Being absent from observation position at kinematograph while said machine is being driven by motor, save and except where control-switches on arc and motor-drive circuits are installed to the approval of the Fire Marshal given in writing:

Smoking or permitting smoking or use of matches in the projection-room, rewind-room, or battery-room at any time:

Allowing the door of the projection-room to be open while pictures are being projected:

Reading while projecting pictures:

Permitting any person other than the manager of the moving-picture theatre in which the projectionist is employed, or the licensed projectionists or apprentice projectionists employed by the said manager, or an authorized official, to be in the projection-room while audience or spectators are in the moving-picture theatre:

Having in the projection-room at any time a greater number of reels of film than two complete programmes:

Having any film exposed in the projection-room other than the one film in process of transfer to and from the kinematograph, or from the upper or lower magazine to the rewind:

Operating over-fused or improperly connected electrical equipment:

Permitting licence to be in the possession of an unlicensed person:

Failure to test apparatus or connections prior to each performance or exhibition:

Operating a defective kinematograph:

Operating any kinematograph in any moving-picture theatre which has not been duly licensed under these regulations. 8805-jy2

LEGISLATIVE ASSEMBLY.

PRIVATE BILLS.

EXCERPT FROM STANDING ORDERS RELATING TO PRIVATE BILLS.

100. (1.) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2.) Such notice shall be published in The British Columbia Gazette and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3.) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4.) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

97. No petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1.) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session:—

- (a.) A printed copy of such Bill:
- (b.) A copy of the petition to be presented to the House:
- (c.) Copies of the notices published, with publication proved by a statutory declaration or affidavit to the satisfaction of the Clerk of the House.

(2.) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of three hundred dollars.

(3.) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees shall be returned.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact,

and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll-bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1.) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the clauses of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2.) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3.) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring $10\frac{3}{4}$ inches by $7\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

Dated May 1st, 1930.

473-my1 W. H. LANGLEY,
Clerk, Legislative Assembly.

The address of its registered office is 1318, 510 Hastings Street West, Vancouver, B.C.

The objects for which the Company is established are:—

(1.) To carry on the business of timber merchants, sawmill-owners, loggers, lumbermen, and lumber merchants in any or all their branches; to buy, sell, log, prepare for market, manufacture, manipulate, import, export, and deal in timber, sawlogs, lumber, and wood of all kinds, and to manufacture and deal in lumber, timber and timber products, shingles, lath, sash, doors, portable houses, boxes, and all articles and materials in the manufacturing whereof timber, lumber, or wood is used:

(2.) To purchase, lease, or otherwise acquire sawmills, shingle-mills, pulp-mills, paper-mills, and mills of any other description for the manufacture of lumber, shingles, pulp, paper, and other timber products:

(3.) To acquire all necessary machinery and equipment for such manufacture of lumber, shingles, pulp, paper, and other timber products:

(4.) To carry on the business of merchants, hotel and inn keepers, carriers by land or water, ship-owners, wharfingers, warehousemen, scow-owners, barge-owners, lightermen, and forwarding agents, and to buy, sell, repair, build, charter, hire, and operate steamers, tugs, barges, ships, and other vessels, and to employ the same in the conveyance of passengers, mails, merchandise, and freight of all kinds:

(5.) To avail itself of and to have, hold, exercise, use, and enjoy all rights, powers, privileges, advantages, priorities, and immunities created, provided, and conferred by the "Water Act" and any amendment thereof, and any and all other laws pertaining to the appropriation and use of waters for any and all purposes whatsoever:

(6.) To acquire, operate, and carry on the business of a power company, and to apply water or water-power for producing any form of power, or for producing and generating electricity for the purposes of light, heat, and power, or any other purpose for which electricity may be applied; to acquire, construct,

and operate waterworks and electrical works; and to distribute, sell, supply, or use electricity and water or water-power for mechanical, industrial, domestic, or any other purposes for which electricity, water, or other power may be supplied, sold, or used:

(7.) To construct, equip, operate, and maintain electric, cable, or other tramways for the conveyance of passengers or freight:

(8.) To construct, equip, operate, and maintain telegraph and telephone systems and lines:

(9.) To remove obstructions from any river, lake, creek, or stream, and to do all things necessary to make the same clear and fit for rafting and driving thereon logs, lumber, rafts, or crafts, and for such purposes to blast rocks, deepen channels, remove shoals or other impediments, or otherwise improve the navigability or floatability of any river, lake, creek, or stream:

(10.) To purchase, lease, take by licence, or otherwise acquire, sell, deal with, use, and dispose of any lands, timber licences or limits, grants, concessions, leases, mill-sites, and any real or personal properties of every description, and to work, develop the resources of, and turn to account the same in such manner as the Company may think fit:

(11.) To construct, build, acquire by purchase, lease, or otherwise, maintain, improve, manage, operate, work, control, and superintend logging-railways, tramways, skidways, roads, wharves, bridges, docks, piers, booms, reservoirs, flumes, aqueducts, pipes, pipe-lines, and other works, apparatus, and conveniences which the Company may think, directly or indirectly, conducive to any of the objects herein expressed:

(12.) To construct, maintain, and alter any buildings or works necessary or convenient for the purposes of the Company:

(13.) To acquire and carry on all or any part of the business or property and to undertake any liabilities of any person, firm, association, or company possessed of property suitable for the purposes of this Company, or carrying on any business which this Company is authorized to carry on, or which can be conveniently carried on in connection with the same, or may seem to the Company calculated, directly or indirectly, to benefit this Company; and to pay for any lands, business, property, rights, privileges, and concessions acquired or agreed to be acquired by the Company, and generally to satisfy any payment by or obligations of the Company by the issue of shares of this Company or any other company credited as fully or partly paid up, or of debentures or other securities of this or any other company credited as fully or partly paid up:

(14.) To undertake and carry into effect all such financial, trading, or other operations or businesses in connection with the objects of the Company as the Company may think fit:

(15.) To subscribe for, take, acquire, hold, and sell stocks, shares, debentures, obligations, and securities of any company or any supreme, municipal, public, or local board or authority:

(16.) To obtain any Act of Parliament or to apply to the executive authority for any order for enabling the Company to carry any of its objects into effect, or for effecting any modification of the Company's constitution, or for any other purpose which may seem expedient, and to oppose any proceedings or applications which may seem calculated, directly or indirectly, to prejudice the Company's interests:

(17.) To create, issue, make, sell, exchange, hypothecate, or otherwise deal with, draw, accept, endorse, discount, and negotiate perpetual or redeemable bonds, debentures or debenture stock, promissory notes, bills of exchange, bills of lading, warrants, or other negotiable or non-negotiable obligations.

(18.) The objects set forth in any subclause of this clause shall not, except when the context expressly so requires, be in anywise limited

or restricted by reference to or inference from the terms of any other subclause or by the name of the Company. None of such subclauses or the objects therein specified or the powers thereby conferred shall be deemed subsidiary or auxiliary merely to the objects mentioned in the first subclause of this clause, but the Company shall have full power to exercise all or any of the powers conferred by any part of this clause in any part of the world, and notwithstanding that the business, undertaking, property, or acts proposed to be transacted, acquired, dealt with, or performed do not fall within the objects of the first subclause of this clause.

AGRICULTURE.

NOTICE.

HIS HONOUR the Lieutenant-Governor in Council, pursuant to the provisions of the "Natural Products Marketing (British Columbia) Act," has been pleased to approve the scheme set out hereunder for the regulation of the marketing of field tomatoes and vegetables of all kinds, except rhubarb and hothouse cucumbers, grown in a described area of British Columbia, and to bring the said scheme into effect on the 27th day of June, 1936.

K. C. MACDONALD,
Minister of Agriculture.

Victoria, B.C., June 27th, 1936.

SCHEME TO REGULATE THE MARKETING OF CERTAIN VEGETABLES GROWN IN A DESCRIBED AREA OF THE PROVINCE OF BRITISH COLUMBIA.

1. The scheme shall be known as the "B.C. Coast Vegetable Marketing Scheme."

2. In this scheme and in any orders, rules, or regulations made by the Marketing Board, unless the context otherwise requires:—

(a.) The "Act" means "Natural Products Marketing (British Columbia) Act," chapter 38, Statutes of British Columbia, 1934, and all amendments thereto:

(b.) "Area" means that part of the Province bounded as follows: Commencing at the intersection of the 49th parallel of latitude with the 121st meridian of longitude; thence due north to the 50th parallel of latitude; thence due west to the 122nd meridian of longitude; thence due north to the 53rd parallel of latitude; thence due west to the western boundary of the Province; thence southerly and east along the western and southern boundaries of the Province to the point of commencement; and in addition that part of Cariboo Provincial Electoral District not within the foregoing:

(c.) "Delegate" means any person elected by vote of the registered producers of any district into which the area is divided as hereinafter provided:

(d.) "Grower" means any person growing the controlled product on land either owned or leased by him, and includes a producer:

(e.) "Marketing" means the preparing for market and the buying or selling or otherwise disposing of the regulated product, and includes the shipping of the product for sale or for storage and subsequent sale, and the offering of the product for sale, and in respect of a natural product includes its transportation in any manner by any person:

(f.) "Marketing Board" and "Board," except when immediately preceded by the word Provincial, mean the Marketing Board authorized to administer this scheme:

(g.) "Minister" means the Minister of Agriculture for the Province of British Columbia:

(h.) "Owner" means any person registered in the books of any Land Registry Office as owner of the fee-simple of any land or as holder of the last agreement to purchase any land, and includes any ex-soldier who is the holder of an agreement to purchase land from the Soldier Settlement Board:

(i.) "Person" includes any partnership, firm, or corporation:

(j.) "Producer" means any owner of one acre or more of land in the area upon

which land the regulated product is grown for sale:

(k.) "Provincial Board" means the British Columbia Marketing Board established under the "Natural Products Marketing (British Columbia) Act":

(l.) "Registered producer" means a producer registered under this scheme:

(m.) "Regulated product" means tomatoes grown out-of-doors and vegetables of all kinds, except rhubarb and hothouse cucumbers.

3. Wherever the masculine or singular is used throughout this scheme the same shall be construed as meaning the feminine or plural.

Application.

4. This scheme shall apply to all persons who produce, grow, process, transport, or market the regulated product, and to all kinds and grades of the regulated product.

Purpose.

5. The scheme is to regulate, under a Marketing Board, subject to the direction of the Provincial Board, the marketing of the regulated product.

6. The name of the Marketing Board is the "B.C. Coast Vegetable Marketing Board," and its head office shall be in the City of Vancouver, B.C.

Constitution of the Marketing Board.

7. The Marketing Board shall consist of three members.

8. The Marketing Board, up to and including the 31st day of May, 1937, shall consist of: Leslie Gilmore, of Steveston, B.C.; Andrew H. Peterson, of Duncan, B.C.; and Archibald W. McLelan, of Cloverdale, B.C. Leslie Gilmore, of Steveston, B.C., shall be Chairman of the Board.

9. Except as provided in clause 8, the members of the Board shall be elected by the delegates of the districts into which the area is divided, and they shall hold office from the 1st day of June of the year in which they are elected until the 31st day of May of the following year. The annual election shall be held no later than the 31st day of May.

10. The area shall be divided into nine districts, as follows:—

District No. 1.—The Municipality of Richmond, the Cities of Vancouver and New Westminster, and the Provincial Electoral Districts of North Vancouver and Burnaby.

District No. 2.—Barnston Island and the Municipality of Surrey.

District No. 3.—Municipality of Delta.

District No. 4.—The Municipalities of Langley and Matsqui.

District No. 5.—All that part of the area lying east of the Municipality of Matsqui and south and east of the Fraser River.

District No. 6.—Dewdney Provincial Electoral District.

District No. 7.—The Provincial Electoral Districts of Esquimalt, Saanich, Victoria, and The Islands.

District No. 8.—The Provincial Electoral Districts of Comox, Cowichan-Newcastle, and Alberni-Nanaimo.

District No. 9.—That part of the area not within any other district.

In this clause every reference to any Provincial electoral district means that Provincial electoral districts as established at June 25th, 1936.

11. The registered producers of each district shall annually elect one delegate for such district.

12. The Board shall make all arrangements for conducting the election of delegates, and shall fix a date for such election not later than the 1st day of May in each year, and shall fix a date for nomination for delegate not less than fifteen days prior to the date fixed for election.

Notice of the time and place for receiving nominations shall be sent by prepaid post to each registered producer within the district in respect of which the nomination is sought at least twenty days prior to the day fixed for nomination, and addressed to the last registered address of such producer, and accompanied by a nomination form.

13. Nomination shall be in writing in the form fixed by the Board, and shall be signed by at least two registered producers and the nominee, and shall be delivered to the Board not later than the date fixed for receiving nominations.

14. In the event of not more than one candidate being nominated in any district within the period fixed for receiving nominations, the candidate so nominated shall be deemed to be elected by acclamation.

15. In the event of more than one candidate being nominated in any district, the Board shall, at least ten days prior to the date fixed for election, send by prepaid post to each registered producer within such district, addressed to his last registered address, notice of the time and place when and where the election will be held in such district, together with a ballot.

16. All voting shall be by ballot, and the ballots may be delivered to the Board or the Returning Officer named by the Board, as the case may be, in person or by mail. Every ballot cast shall be signed by the registered producer casting such ballot.

17. In the event of two or more candidates for election as delegates in any district receiving an equal number of votes, the Returning Officer, if one has been nominated, otherwise the Chairman of the Board, shall cast a ballot in favour of one of such candidates having an equal number of votes, and the candidate named in such ballot shall be deemed to have been duly elected.

18. A producer shall be deemed to have received any notice, nomination-paper, or ballot under the foregoing clauses which is posted addressed to him at his last address registered with the Board. The failure of any producer to receive any such notice, nomination-paper, or ballot shall not invalidate an election.

19. Every registered producer shall be entitled to one vote for delegate in any district in respect of which he is registered as a producer.

20. (a.) Following the election of delegates, a meeting of such delegates shall be called by the Board and held at Vancouver, B.C., and shall be presided over by the Chairman of the retiring Board.

(b.) Notice of the time and place of such meeting shall be mailed to each delegate at his address as registered with the Board not less than ten days prior to such meeting.

(c.) Each delegate attending such meeting shall be entitled to nominate one registered grower for membership to the Board: Provided that any nomination shall be accompanied by the written consent of the nominee; and provided further that no delegate shall be eligible for nomination.

(d.) The delegates shall proceed with the election of the members of the Board as soon as convenient after the close of the nominations: Provided that if only three candidates are nominated for the Board, such candidates shall be deemed to have been elected to the Board by acclamation.

(e.) The election shall be by ballot, and each delegate attending the meeting shall have one vote for each registered producer in his district.

(f.) Each vote shall be cast for three candidates, no more, no less, otherwise the ballot shall be deemed a spoiled ballot.

(g.) The three candidates receiving the three highest numbers of votes cast at the election shall be declared elected.

(h.) In event of a tied vote, the candidates so tied shall be voted upon again, and the candidate receiving the highest number of votes shall

be deemed elected, and should the second ballot result in a tied vote, then the Chairman of the retiring Board shall have authority to decide which of the tied candidates is elected.

(i.) Following the election of the Board, the delegates shall elect one member thereof as Chairman of the Board.

(j.) The delegates shall fix the remuneration of the Chairman and other members of the Board: Provided that the remuneration so fixed shall be subject to revision by the Provincial Board from time to time.

(k.) Failure on the part of a delegate to attend the election meeting or to vote thereat shall not invalidate the election of a member of the Board.

21. In the event of any delay or irregularity occurring in the conduct of any election or of any doubt arising as to the validity of any election, the Provincial Board shall have authority to determine who are the members of the Marketing Board, and to fix the said members' terms of office, and to direct the holding of a special election if the Provincial Board deems it advisable.

Powers of Marketing Board.

22. The Marketing Board shall have the following powers:—

(a.) To regulate the time and place at which and to designate the agency through which any regulated product shall be marketed; to determine the manner of distribution, the quantity and quality, grade or class of the regulated product that shall be marketed by any person at any time, and to prohibit the marketing of any grade, quality, or class of any regulated product:

(b.) To organize or establish any agency to market the regulated product, and to pay the costs of organizing or establishing such agency and the cost of the operation thereof:

(c.) To require the agency to be bonded:

(d.) To prescribe and regulate the duties, rights, and provisions of the agency:

(e.) To require that all persons engaged in the production, processing, transporting, or marketing of the regulated product shall comply with the orders and regulations of the Board:

(f.) To establish a fund in connection with the scheme of regulation, and to utilize the same in such manner as may be deemed necessary or advisable by the Board:

(g.) To compensate any person for a loss sustained by withholding from the market, or forwarding to a specified market, any of the regulated product pursuant to an order of the Board, but, without limiting in any way the generality of the foregoing, to compensate any person in respect of any portion of the regulated product marketed in the form of a manufactured product: Provided that no compensation shall be paid in respect of any regulated product that may be withheld from a particular market because the grade of such product is deemed by the Board to be unsuitable for such market:

(h.) To assist, by grant or loan, the construction or operation of facilities for preserving, processing, storing, or conditioning the regulated product, and to assist research-work relating to the marketing of such product:

(i.) To borrow, raise, or secure the payment of money in such manner as the Board may think fit for the purpose of carrying out the objects of the scheme, but at no time shall the aggregate financial obligation of the Board incurred by borrowing exceed \$15,000:

(j.) To hypothecate, assign, draw, make, sign, accept, endorse, discount, and

issue bills of exchange, cheques, and other negotiable and transferable instruments:

- (k.) For the purpose of ascertaining whether the orders, rules, and regulations of the Board are being complied with, to inspect the books, accounts, records, and documents of a grower or any person marketing a regulated product; and for this purpose to employ an auditor or accountant, and to require any such grower or person to produce such books, accounts, records, and documents for inspection, and give such assistance or information as may be required:
- (l.) To determine the spread which dealers shall add to the price paid by them for the regulated product, or any class or grade thereof:
- (m.) To prohibit any person from carrying or transporting within the area the regulated product without first obtaining the written authority of the Board to do so, and from carrying or transporting any of the regulated product not tagged or marked in such manner as the Board may designate:
- (n.) To require any person carrying, transporting, warehousing, or storing the regulated product to furnish to the Board any information in the possession of that person which the Board may require with respect to the regulated product transported, carried, or stored by that person:
- (o.) To require the books, accounts, and records of any person engaged in the production, processing, transporting, or marketing of a regulated product to be kept in the English language:
- (p.) To exempt from any determination or order any person or class of persons engaged in the production, processing, or marketing of the regulated product or any class, variety, or grade of such product:
- (q.) To require any or all persons engaged in the production, processing, or marketing of the regulated product to register with and obtain licences from the Board:
- (r.) To fix and collect annual, quarterly, or monthly licence fees from any or all persons producing, processing, or marketing the regulated product, and for this purpose to classify such persons into groups, and fix the licence fees payable by the members of the different groups in different amounts:
- (s.) To cancel any licence for violation of any provisions of the scheme or of any order of the Board or of the regulations:
- (t.) To require full information relating to the production, processing, and marketing of the regulated product from all persons engaged therein, and to require periodic returns to be made by such persons, and to inspect the books and premises of such persons:
- (u.) To fix the price or prices, maximum price or prices, minimum price or prices, or both maximum and minimum prices, at which the regulated product, or any grade or class thereof, may be sold in the area within the Province to which the scheme relates; and may fix different prices for different sections of the said area:
- (v.) To require the person in charge of any vehicle in which the regulated product could be transported to permit any member or employee of the Board to search the vehicle:

(w.) To seize and dispose of any of the regulated product kept, transported, or marketed in violation of any order of the Board:

(x.) To make such orders, rules, and regulations as are deemed by the Board necessary or advisable to regulate effectively the marketing of the regulated product, and to amend or revoke the same.

22. At the end of each fiscal year the Board shall prepare and submit to the Provincial Board a full report of the Board's affairs for the fiscal year, signed by the Chairman and properly audited.

23. The Board shall cause to be kept at its head office a register known as "The Register of Producers," in which the names, addresses, and occupations of all persons registering shall be entered and segregated as to districts.

24. No person except a registered producer shall be entitled to vote or be a delegate or a member of the Board.

"POUND DISTRICT ACT."

(Form B, Section 5.)

WHEREAS notice has been given of intention to constitute as a pound district, under the provisions of section 3 of the "Pound District Act," all that certain portion or tract of land in the vicinity of Stoddart Creek, in the Peace River Electoral District, the boundaries of which may be more particularly described as: Commencing at the north-west corner of the South-west Quarter of Section 27, Township 84, Range 19, west of the 6th meridian; thence easterly to St. John Creek; thence southeasterly following St. John Creek to the easterly boundary of Section 20, Township 84, Range 18; thence southerly to Stoddart Creek; thence westerly following Stoddart Creek to the easterly boundary of Section 18, Township 84, Range 18; thence southerly to the south-east corner of Section 7, Township 84, Range 18; thence westerly along the southerly boundaries of said Section 7 and Sections 12 and 11, Township 84, Range 19, to Stoddart Creek; thence westerly following Stoddart Creek to the westerly boundary of Section 10, Township 84, Range 19; thence northerly to point of commencement:

And whereas objection to the constitution of such proposed pound district has been received from eight proprietors of land within such proposed pound district:

Therefore, notice is hereby given that the majority of the proprietors of land within the above-described district must, within thirty days from the posting and publishing of this notice, forward to the Minister of Agriculture their petition in the form required by section 5 of the "Pound District Act," or otherwise such proposed pound district will not be constituted.

Dated this 30th day of June, 1936.

[L.S.]

K. C. MACDONALD,
Minister of Agriculture.

NOTE.—The word "proprietor" in the "Pound District Act" means any holder or occupier of land under whatever tenure or any superintendent, overseer, servant, or other person acting for and on behalf of such holder occupier.
